SUBJECT **ASCC GENERAL CATALOG 2016-2018 ADDENDUM 073008112017**
Insert "C" Grade or Better Requirement for the Bachelor's Education Program

ISSUES/CONCERNS:

The "C" grade or better requirement for the Bachelor's program was left out from the 2016-2018 ASCC Catalog. We would like to insert it again through this addendum to the current catalog.

RATIONALE/JUSTIFICATION:

The "C" grade or better requirement was always in the TED program requirements. The previous catalogs have this as proof. This is why we are requesting that this requirement be re-inserted into the current catalog.

RECOMMENDATION:

This addendum was presented to the General Curriculum Committee during its monthly meeting on April 27, 2017, and the Committee unanimously approved the re-insertion of this requirement into the catalog. This form is to fulfill the paper requirement for the addendum.

INSERT

2016-2018 ASCC Catalog, page 155 under Program Requirements:

Student should maintain a grade of "C" or better in all Teacher Education courses.
