## AA - EDUCATION

### General Education Clusters/Options

The remaining courses required to obtain the minimum of sixty (60) credits for graduation are courses identified as electives for students seeking an Associate of Arts Degree in Liberal Arts. These courses must be numbered 150 or higher with the exception of MSL 101 and MSL 102 which may be used as general electives. SAM 101A, SAM101B and SAM 111 may only be used for Studies of Samoa and the Pacific.

Furthermore, Associate of Arts (A.A.) general education courses requirements may not meet all the general education requirements needed off-island and specific program degree courses may not be transferable with other colleges or universities. See Advisor for more information.

#### PRE-REQUISITE NOTE:

E = English (Example: E150 = ENG150)  
M = Math (Example: M90 = MAT90)
