Terms:

Net worth means current value minus debt. If net worth is one million or more, enter \$999,999. If net worth is negative, enter 0.

Investments include real estate (do not include the home you live in), trust funds, money market funds, mutual funds, certificates of deposit, stocks, stock options, bonds, other securities, installment and land sale contracts (including mortgages held), commodities, etc. Investment value means the current balance or market value of these investments as of today. Investment debt means only those debts that are related to the investments.

Investments also include qualified educational benefits or education savings account (e.g. Coverdell savings account, 529 college savings plans and the refund value of 529 prepaid tuition plans). For a student who does not report parental information, the accounts owned by the student (and/or the student's spouse) are reported as student investments. For a student who must report parental information, the accounts are reported as parental investments, including all accounts owned by the student and all accounts owned by the parents for any member of the household.

Investments do not include the home you live in, the value of life insurance, retirement plans (pension funds, annuities, non-education IRAs, Keogh plans, etc.) or cash, savings and checking accounts already reported.

Business and/or farm value includes the market value of land, buildings, machinery, equipment, inventory, etc. Business farm debt means only those debts for which the business or farm was used as collateral. Do not include family farm or family business with 100 or fewer full-time equivalent employees.

The Financial Aid Staff may require bank statements, appraisals, and/or other documents to verify this information.
