Total credits to earn for an Certificate of Completion in Basic Electrical Theory	
Program Requirements	10
Co-Foundational Requirements	6
Total Credits	16

A Certificate of Completion (COC) is awarded to individuals to prepare for entry-level skills and training required for employment in a specific trade, occupation, or profession related to the field of study. This award is for students who have successfully completed a minimum of 12 credit hours but may not exceed 19 credit hours in an occupational program providing job entry or job upgrading skills. The issuance of Certificate of Completion requires the students work to be evaluated and determined to be satisfactory performance. In a credit course, the student must earn a cumulative Grade Point Average (GPA) of 2.00 or better for all courses required in the Certificate program. ASCC Placement Examination is required or using testing scores from SAT, ACT, and/or TOEFL. Program requirements in English and Math should not fall below ENG 90, ENG 91, and MAT 90. There are no graduation exercises accompanying this award (*ASCC 2014-2016 Catalog, pg. 70*).
